Province of Aklan
MUNICIPALITY OF MALAY

Office of the Sangguniang Bayan

MUNICIPAL ORDINANCE NO. 56

Series of 1992

AN ORDINANCE AMENDING MUNICIPAL ORDINANCE NO. 43, SERIES OF 1990 INTENSIFYING GARBAGE DISPOSAL SYSTEM, IMPOSING PENALTIES FOR VIOLATION THEREOF AND OTHER RELATED ACTIVITIES.

Be it ordained by the Sangguniang Bayan of Malay, Aklan in session assembled that:

SECTION 1. - No person or group of persons, whether visitors, residents, owners of business establishment, occupant of public and private offices or buildings and caretakers of domestic animals, etc. is allowed to dump or scatter their garbage on the beach, in the sea, on public parks and plazas, on roads and streets especially in the residential and commercial section in the tourist village of Boracay and Caticlan and elsewhere in this Municipality, except in areas designated as garbage dumping site.

SECTION 2. - Owners/occupants of residential, commercial, public and private establishments and all concerned are required to deposit their garbage in a plastic bag or any similar sealed container to ensure safety of its contents. A common dumping site for every barangay will be determined by the respective barangay council, while proper dumping system will be supervised by the Municipal Health Officer whose function is to protect and preserve environmental sanitation. In the case of the tourist village of Boracay, garbage disposal system will be managed by the duly authorized group assigned by the Sangguniang Bayan of Malay.

SECTION 3. - The Municipal Mayor of Malay shall have overall supervision and control in the implementation of the Garbage Management Plan of the duly assigned group or any agency who takes charge of the task of garbage collection, disposal and other related activities in the island of Boracay.

SECTION 4. - For purposes of classification, garbage is hereby classified as:

- a) **ORDINARY** - day-to-day refuse which are not hazardous, toxic, bulky and can easily be loaded by Garbage Collectors.
- b) **HAZARDOUS** - refuse which are flammable, toxic, detrimental to health and dangerous to community, like broken glasses and empty bottles.
- c) **SPECIAL** - because of their weight and bulk, they cannot easily be carried by a person, such as trunks of trees, excess of construction materials, junks and the like.

Classification for possible recycling, decomposition or incineration of this garbage is assigned to the Garbage Collectors appointed and paid by duly authorized group assigned by the Sangguniang Bayan of Malay.

SECTION 5. - **PENALTY.** Any person or group of persons caught violating Section 1 of this ordinance shall be punished by a fine of not less than TWO HUNDRED PESOS (₱200.00) and not more than ONE THOUSAND PESOS (₱1,000.00) or suffer an imprisonment of not more than one (1) month or both fine imprisonment according to the discretion of the court.

SECTION 6. - **EFFECTIVITY.** This ordinance shall take effect upon approval of this Body and after passing a public hearing.

APPROVED. AUGUST 31, 1992.
